Dear Jim:

Just a short note to thank you for your willingness to help House Democrats promote the reauthorization of the COPS Program. Thanks to your help, our event on May 15th was a rousing success.

We both agree on the importance of the COPS Program and the positive effects it has in our communities. As you know first hand, the grants provided by this program for hiring police officers are vital to reducing crime and protecting our neighborhoods.

Once again, thank you for all of your help. I look forward to continuing to work with you on this and other issues.

With kindest personal regards, I am

Sincerely yours,
