UNITED STATES SENATE

Dear Mr. ^{Chuck} Canterbury:

I want to thank you for testifying at the Judiciary Committee's hearing on the Bulletproof Vest Partnership Grant Program. Having the weight of the Fraternal Order of Police behind this program underscores the importance of its reauthorization.

Ensuring the safety of law enforcement across the country is a goal that should be universal and your support will go a long way toward maintaining this critical program. I look forward to continuing to work with you and the FOP on this and other issues in the future.

Sincerely,

Many thanks

Mr. Chuck Canterbury
