

WHO IS SASSETTI

Sassetti is a full service, certified public accounting firm offering a complete range of auditing, accounting, tax, payroll and advisory services.

Founded in 1921, we have developed specific expertise in serving the needs of our clients and are committed to meeting and exceeding their expectations. It is this expertise and our dedication to developing and retaining relationships with our clients that has allowed us to continue servicing their needs for over eighty years.

OUR CLIENTS

Although our clients consist of a broad range of entities, including family-owned businesses, individuals, manufacturing and distribution companies, and small SEC regulated companies, we have dedicated a significant portion of our practice to serving the Fraternal Order of Police.

We have developed relationships with multiple levels of the Fraternal Order of Police including the Grand Lodge, Legal Plan, Auxiliary, various state Lodges and various local Lodges. Our partners and staff attend board meetings of various lodges and speak at a number of FOP conferences.

FEE STRUCTURE

Our fees for engagements will be based on actual time expended. Our hourly rates are competitive in the market place.

We will work with each Organization specifically to match our staff with each engagement depending on issues in each engagement.
