The Honorable James M. Costa  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Representative Costa,

I am writing on behalf of the members of the Fraternal Order of Police to ask you, as a Member who represents constituents who have experienced targeted violence against police in or near your district, to cosponsor H.R. 743, the "Protect and Serve Act."

On 31 January, Officer Gonzalo Carrasco, Jr. of the Selma Police Department was on patrol and flagged down by a local citizen who was concerned about a suspicious person in her backyard. When Officer Carrasco exited his squad car, he was ambushed and shot several times. He was rushed to the hospital but later died there of his wounds. Officer Carrasco joined the Selma Police Department in May 2021. He was 24 years old and was expecting his first child. His killer was captured and charged with several crimes, including first degree murder.

In response to the surge of violence targeting law enforcement officers in the form of calculated and ambush-style attacks, like the kind which resulted in Officer Carrasco's death, the FOP is urging the House to consider legislation which would make it a Federal crime, in certain limited circumstances, to deliberately target law enforcement officers with violence. In 2018, you voted in favor of this bill on the House floor, which passed on an overwhelming 382-35 vote.

So far this year, 81 officers have been shot in ambush-style attacks and 14 officers, including your Officer Carrasco, were killed. This is a stark reminder that our law enforcement officers are not just in harm's way due to the dangerous nature of their profession, but that they are also the targets of violent individuals whose sole motivation is to injure or kill a law enforcement officer.

Ambush-style attacks and violence targeting law enforcement officers have been steadily increasing in recent years. A May 2019 report from the Federal Bureau of Investigation (FBI) concluded: "While the overall number of officers who were feloniously killed was declining, the percentage of officers feloniously killed during surprise attacks was increasing."<sup>1</sup> A December 2017 study by the Office of Community Oriented Policing Services, which examined law enforcement officer fatalities from 2010-2016, found that 20% of ambushed officers were seated in their patrol cars and

56% of officers killed in an ambush were not on a call or engaged in any enforcement activity.<sup>2</sup>

In light of these chilling facts and the loss of your Officer Carrasco, we are asking you to cosponsor H.R. 743 to address the national problem of ambushes and unprovoked attacks on our nation's law enforcement officers. No officer should be at risk of being targeted while simply sitting in their patrol car, standing post, or heading home at the end of a shift. When a member of the public calls for help, we answer that call. We are asking for your help now and urge you to cosponsor this bill so that we can once again send it to the House floor for a vote.

On behalf of the more than 367,000 members of the Fraternal Order of Police, I thank you for considering the FOP's urgent request to cosponsor H.R. 743. If I can provide any additional information about this bill, please do not hesitate to contact me or Executive Director Jim Pasco in our Washington, D.C. office.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick Yoes", with a large, stylized flourish extending to the right.

Patrick Yoes  
National President
