Dear *Day on the Hill* Participant,

Welcome to our nation's capital for the FOP's annual *Day on the Hill*!

I want to thank all of you who took the time to be here with us today. This grassroots event is really the cornerstone of the FOP's Grassroots Action Network (GAN). If we are to succeed, we need all our members to build, strengthen, and sustain their relationships with their Senators and Representatives. Members of Congress need to know that FOP members are active voters in their States and districts and will be watching them carefully. Make it clear that you and your members will hold them accountable.

This Second Session of the 119th Congress presents a challenging landscape. Because of the narrowness of the current majority, a bipartisan approach is critical. Our top priority for this Session is the enactment of the "Protect and Serve Act." In the House, the bill is very bipartisan, but certain Members of the majority are blocking its advancement in committee. In the Senate, we need to make the bill bipartisan by earning support from Democrats.

Our other top priorities, the "Law Enforcement Officers' Equity Act" and the "Public Safety Officers' Employer-Employee Cooperation Act," are also very bipartisan—with the exception of the Equity bill in the Senate where we are looking for a Republican lead.

The "LEOSA Reform Act" has passed the House and we are focused on getting a mark-up on the board in the Senate Committee on the Judiciary. We also believe that the bipartisan "HELPER Act" could potentially advance in this session of Congress.

While we are grateful for your participation this week, please remember that genuine grassroots activism is not a one or two-day event. The key to being effective in the future is to grow the relationships with the individuals you meet this week. Follow-up! Make contact again with the Members and staffers you interact with during this event, even if it is just to thank them for their time. Each contact you have with them will reinforce the progress you made and make our efforts here more productive in generating strong and active support for our issues.

I also want to ask you and your lodge brothers and sisters to support the National Fraternal Order of Police Political Action Committee (NFOP PAC), which, like our

grassroots activism, is an essential part of our National Legislative Program. The NFOP PAC allows us to support candidates who support our members and our profession. We need to increase member participation in our payroll deduction and monthly recurring credit card programs. Please take this request back to your local and State Lodges and help us grow our PAC and amplify our voice in the nation's capital.

On behalf of your more than 382,000 brothers and sisters in the Fraternal Order of Police, I want to thank you for taking the time to be part of *Day on the Hill* 2026!

Sincerely,
